

ST. FRANCIS XAVIER-QUEEN OF ALL SAINTS CATHOLIC ACADEMY

Manuela Adsuar-Pizzi – Principal

SEPTEMBER 2018

HOME ACADEMY ASSOCIATION NEWSLETTER

Opening Message:

Welcome back to a new school year 2018-19. This year we are welcoming new and returning students. The St. Francis Xavier families joined Queen of All Saints Catholic Academy and we are now one. This year there will be a host of events and programs. I am introducing the students to new school experiences for the upcoming year. All parents at SFX-QASCA are Home Academy Association members and are welcome participants. With our parents, the goal is to make this a successful year.

Peace and blessing.

Pizza Day

There were two pizza lunch dates in September, our students enjoyed it. During the school year 2018-19, SFX-QASCA students will have pizza day twice a month.

Back to School Night

The back to school night for grades K-8th was an introduction of what to expect for the upcoming year, academics, etc., from our SFX- QASCA students. It was also an opportunity to meet the grade teacher(s). During this meeting our principal discussed curriculum, support services, upgrades and enrichment programs.

Home School Association Parent Meeting

Met with SFX-QASCA parents to introduce them to the HAA Officers. Talked about the importance of volunteering their time. The many fundraisers for this upcoming year to help SFX-QASCA reach their goal, in order to continue with many programs that we presently have and get the much needed upgrades to our school.

Mass Service

SFX-QASCA students attended their first mass service. Each month the students will have mass service and our SFX-QASCA families are invited to worship. The dates are listed on your school calendar for 2018-19.

Virtus Training

On Friday, September 28, 2018, Ms. Rosa, SFX-QASCA, Technology and Spanish teacher hosted a Vitrus training at our school. This training is mandatory for anyone who will be volunteering their time with any school events, i.e. class trips, fundraiser, enrichment programs, etc.
